MANICURE & PEDICURE COURSE

Course info

Learn • Perfect • Grow

Learn how to do a manicure and pedicure treatment, a course taught by a professional trainer.

Learn how to do these treatments from your home or any place, be it a salon or spa environment at any time of the day or night.

It is easy, after your purchase of your preferred course options your course content will be sent to you or you have the option of booking training in class.

You have 3 months to complete this course and to return your case studies to get certified. Should you struggle to finish the course within 3 months it can be arranged to extend your time period to complete your training.
